## Your Solution Across The Seas

### SERVICES

#### Shipping Agency Services

With operations now available across the world, we offer an impressive array of lay-up services. And if what's on offer isn't quite enough, nearby port facilities extend the range of services even further. We can accommodate both ship layup and rig stacking at either location. The anchorages offer hot, warm and cold stacking. Marine Layup Services can provide all lay-up equipment and rental equipment. We have qualified and experienced staff are on hand to help with your layover

#### In-Port Vesel Operation

We apply our approach in various ways throughout the project life-cycle including optimizing port layout, minimizing vessel downtime, reducing sedimentation, and designing suitable marine and coastal structures.
